Love One Another

John 13:31-35
Page: 900

In the book of Acts, the early church spent its time in engaging in the pursuit of the Lord through prayer, singing, reading and teaching of the Scriptures, and the Lord's Supper. They were what I would call a biblical community. That means that they had certain characteristics such as being deeply involved in the lives of one another. They were *"doing life together."*

So, what are the characteristics that were found in the early church? If you were to do a search of *"one another"* commands, especially within the New Testament, you would find such commands as *Love One Another, Forgive One Another, Serve One Another, Pray for One Another, Encourage One Another, etc...*

At CrossBridge Church, we desire to be a biblical community where we *"do life together."* So, today we are starting our *One Another* series with ***"Love One Another"***.
